- What is Asbestos?
- Where does it come from?
- What does it look like?
- Can it be worked with safely?
- What are the health risks of Asbestos exposure?
- Who is most likely to be affected?
- Who do I contact if I think that I have an Asbestos Related Disease?
- What does the Register Controller do?
- What are your ongoing Asbestos Risks and Liabilities?
- What is the aim of the Asbestos Policy?
- What is an Asbestos Register?
- Where is it kept?
- How to read/follow understand it?
- Who is responsible for it and can help explain it to me?
- Who should access it?
- Who can access it?
- Where do I go for general Advice on Asbestos Issues?
- How Asbestos Safety is administered
- What are my responsibilities as an employer?
- What are my responsibilities as an employee?
- Am I covered in the workplace?

Cost \$40 + GST per training participant

Duration 45 minutes

Includes Course Notes you can download and print as a Workbook reference. Course Notes refer to all aspects of the training.

There is an Assessment at the conclusion of the training and when successfully completed you will receive a Certificate of Completion.

Be Aware - Be Safe - Be Trained
